

France/Germany/Austria - Dr. Rennie Brantz /History / 262-2311 / brantzrw@appstate.edu

This program explores the Nazi Holocaust within the broader context of contemporary European culture and society. Courses will explore the character of Jewish civilization in Europe, the rise of modern anti-Semitism, the evolution of Nazi Jewish policies after 1933, Nazi mass murder during World War II, Jewish resistance to oppression, and the consequences and implications of the Holocaust. Participants will visit Nazi and Holocaust sites in France, Germany and Austria. The purpose of this program is to study the Holocaust where it happened while experiencing contemporary European society and culture.
