

**India** – Dr. Al Harris / CIS / 262-1596 / [harrisal@appstate.edu](mailto:harrisal@appstate.edu)

This course examines the concepts and issues of doing business in India. The specific topics or areas to be covered in this class include:

- The outsourcing issue of IT services to India,
- The issue of US firms creating development centers in India,
- The customs, religions, and sights of India

A trip to India during Spring Break is required to pass the course. During that trip, you will experience the culture, sights, and living conditions of India.

March 6 – March 17, 2008. **\$1600. PROGRAM FULL**
