

**Jamaica - International Service-Learning /Jenny Koehn/ACT/262-2045/koehnjr@appstate.edu**

As part of the Alternative Spring Break program, this one-week, one-credit course allows students the opportunity to experience the people of Jamaica through service-learning and gain a general understanding of the Primary Education system within the country of Jamaica. Students will spend the week with Jamaican children at Sandy Bank Primary School and will have the opportunity to visit local cultural attractions. Through service-learning and pre-trip meetings, students will learn the basic social issues affecting the people of Jamaica. Nightly group discussions and attendance at 4 pre-trip classes are required.

March 8 -15, 2008. **\$1250. Program Full.**
