

**St. Croix - Dr. Renee Evans / HPC Department / 262-6052 / [evansrr@appstate.edu](mailto:evansrr@appstate.edu)**

This 10-day program is offered in cooperation with the University of the Virgin Islands – St. Croix. The course will focus on various school counseling practices in St. Croix. Areas of concentration will be graduate and public school counseling programs. Students will gain an understanding about the various cultural backgrounds and considerations that have shaped the native island populations. Specifically, they will focus on ways these considerations will influence their experience while working along with UVI's school counseling students and in the public school counseling programs.

April 18 - 27, 2008. **\$2400**
