CSD Study Abroad UK : Spring, semester-long course comparing systems of higher education and programs in student development in the UK and the USA. Students will explore the history and current culture of five UK institutions of higher education, culminating in a 15 day visit to the United Kingdom with stops in London, York, Cambridge, Sheffield and Edinburgh, Scotland. Participants will learn about the history and current programs of campuses in each of these cities while taking time to participate in and enjoy the local culture, museums, sites and time in major cities.
